

Meeting minutes made by Teagan Reddy (SU no. 26012243)

Date: 29/04/2026

Agenda:

- System Specifications Review

Summary:

- Reviewed the Gantt Chart from my project proposal to view expected outcomes
- Finished and reviewed the specifications section, including stakeholder requirements, functional requirements and technical performance measures
- Need to provide actual calculations to support the numbers in the TPM table
- Make sure to keep SR and FR tables generic and solution neutral
- Research E-Waste procedures
- Need to have 3 general concepts generated by next meeting
